WORLD SHAKERS - 12 Christians, individuals from diverse walks of life and representative of various countries, embark on a 39-day life-changing mission trip into Southern Africa. Their lives will be dramatically changed together with the many people they will minister to.

Jesus said in Acts 1 verse 8: "... you will receive power when the Holy Spirit has come upon you; and you shall be my witnesses ... to the end of the earth."

In this 13-part TV reality series, viewers all over the world will witness as 12 individuals are equipped, empowered and sent on a number of missions during their 39-day encounter to share and demonstrate the unconditional love and power of God. This is reality never seen on TV before – God working powerfully in and through ordinary people in a real world.

Each episode of **WORLD SHAKERS** will focus on a need or area of ministry, such as food distribution, street evangelism, hospital and medical service, children and youth ministry, construction and relief work, gospel outreach. Our 12 missionaries will go into townships, informal settlements, and rural areas within Southern Africa where they will minister in schools, community centers, hospitals, churches, houses, on street corners and at special outreach events. They will teach large groups, sometimes small groups and engage in personal one-on-one discussions. They will minister to families, minister and pray for the sick, feed the hungry, bring relief and assist with chores. Similar to award-winning reality series like *Survivor*, and *Amazing Race*, the storylines will be driven by the narration of our 12 missionaries as we see them in action. They will share their experiences – both positive and negative, their prayers, their fears, their tears and their joys.

WORLD SHAKERS will bring a powerful message to a hungry world and a thirsty church – hungry and thirsty for the truth, love and reality that are in Jesus today.
